*This is a membership plan built for patients at Meridian Dental who do not have a regular dental plan. This plan is not to coordinate with any other insurance plan. This is not an insurance policy. Patients who sign up for this plan in office will need to pre-pay each year before the anniversary of the original sign up date. This plan is non-transferrable, non-proratable with no partial or full refunds for patients who move, relocate or find dental care elsewhere. All other office policies still apply.
